What is it that sets us apart as human beings?

We witness a world full of wonders, of mystery, of incomparable beauty. We experience it like none other and yet it is never quite enough to be – just an onlooker, a bystander, an observer!

What makes us human is the desire to create, to partake in the process of grand creation, to make, re-make and make better still.

At Auhna we are driven by the same passion, the same desire to create – a near magical ability to try, test, fail, and pick ourselves up to do it all over again, till we make something that we're proud of, till we arrive at something – perfect.

Perfectly useful and perfectly beautiful.

... because we know, people are used to more than just good from us, and that is exactly how it should be.

Was ist es, das uns zu Menschen macht?

Wir sind Zeugen einer Welt voller Wunder, Mysterien und unvergleichlicher Schönheit. Wir erleben sie wie kein anderer und doch scheint es nie ausreichend – nur ein Zaungast, ein Zuschauer, ein Beobachter zu sein!

Was uns zu Menschen macht, ist der Wunsch etwas zu erschaffen, teilzunehmen am Prozess der großen Schöpfung, etwas hervorzubringen, umzuarbeiten und noch besser zu machen.

Bei Auhna sind wir von derselben Leidenschaft angetrieben, dem Wunsch zu erschaffen – eine fast magische Fähigkeit auszuprobieren, zu testen, scheitern und wieder aufzustehen, um wieder von vorne anzufangen, bis wir etwas erschaffen, auf das wir stolz sind, bis wir an diesen Punkt angelangt sind – Perfektion.

Außergewöhnlich praktisch und außergewöhnlich schön.

... weil wir wissen, dass Menschen es gewohnt sind, mehr von uns zu erwarten als nur Gutes, und das ist, wie es sein sollte.

ما الذي يميزنا كبشر؟

علمنا هو عالم مليء بالعجائب والغموض والجمال المتناهي.رأينا وعرفنا مثلاً لم يعرفه أحد قبلنا، ولازال هذا غير كافي لنا. لم نعد نكتفي بالمشاهدة أو المراقبة فحسب!

رغبتنا في الخلق أو المشاركة في عملية الخلق العظيمة، أو حتى تصنيع أو إعادة تصنيع المواد هي ما يجعل منا بشراً.

ونحن هنا في Auhna، يقودنا نفس الشغف، نفس الرغبة في الخلق – قدرة سحرية للمحاولة والاختبار والفشل والنهوض مجدداً للقيام بهذه العملية مرة أخرى، حتى نتمكن من تصنيع شيء نفخر به، وحتى نصل لشيء مثالي.

شيء مكتمل الجمال وعملي للغاية أيضاً.

لأننا نعلم جيداً أن مستخدمنا ينتظرون ما هو أكثر من مجرد الجيد منا! وهذا ما نريده بالضبط.

Our past and our present: A glimpse at the journey of Auhna

"Courage is found in unlikely places" said J.R.R. Tolkien.

An unlikely place it was indeed.

Brought up in a middle class home in a small Indian town back in the 80s, Neeraj Sehgal was the only child to his parents. The son of a government employee and a housewife, the world of business to him was, as far from everything he had been taught and comfortable with, as possible.

Led by a series of events and an inherent desire to do something significant, Neeraj would soon move to Delhi, the nation's capital, to sow the first seeds for what would one day develop into Auhna.

"Life shrinks or expands in proportion to one's courage" said Anaïs Nin. He was in his mid-twenties, no big-money back-up, no support, no god-fathers, just a man with a vision and the grit to see it through.

Thus began the story of Transel, the company he set

up and the parent company to Auhna.

For a child, walking soon becomes second nature, a skill it will not forget for the rest of its life, forgetting, however, that it had once acquired this in as much excitement as difficulty... the rise, the careful balancing of the toe and the heel, the soft landing... and then, perfection!

Each step in those initial years of Transel, marked new struggles and new learning - acquiring deeper knowledge of processes, of workmanship, of markets.

Very soon, Transel was exploring possibilities, trying to find a break through ISH – the world's leading fair for the Bathroom industry. In the time that would follow, our founder, would explore Europe on foot – carrying 20 kilos of samples, walking through lanes and by-lanes, presenting our vision, our mantle to merchants and companies – all the while hoping that one was just about to turn a corner.

In Allegiant, Veronica Roth, said, "There are so many

ways to be brave in this world. Sometimes bravery involves laying down your life for something bigger than yourself, or for someone else. Sometimes it involves giving up everything you have ever known, or everyone you have ever loved, for the sake of something greater.

But sometimes it doesn't.

Sometimes it is nothing more than gritting your teeth through pain, and the work of every day, the slow walk toward a better life."

Perseverance, persistence and a near denial to give up through the most difficult of challenges – these efforts were rewarded when a world renowned German company gave us the task of creating a prototype. The year was 1994 and Transel was soon developing and producing many signature products for the brand...

A tiny pebble thrown in a pond of possibilities with the inevitable fear of drowning without creating the tiniest ripple, realizes that it has, in fact, transformed from being the pebble

to being the ripple, its affect expanding, its nature transforming into something bigger every millisecond ...

We were soon rubbing our shoulders with the biggest brands, the most experienced players in the industry, learning as we grew, about impeccable quality standards, unmatched human values, learning how what we produce is an extension and a culmination of all we began with and all we become.

We endeavor today to remember the gloriousness of our journey and its many lessons, for the abundance of courage, for the knowledge of the processes acquired, for the honesty of effort.

The mind in which Auhna first took birth was the feeder of its fuel and it was only natural that we go on to establish Auhna in the memory of our Founder.

Auhna embodies his learning, his vision, his penchant for perfection.

Our quality standards were already at par with the world, our workmanship appreciated by the best of the best, and in Auhna we took the next step by innovating and investing in our own designs, presenting

them to newer markets in our own name.

We present to you, distinct heart felt designs, each with their own style and uniqueness, creating myriad moods and moments in the most intimate of your surroundings.

Auhna, the word means passion, and it is passion that follows us in all we do and all we create.

We believe

... that what we create speaks for who we are... the strive for perfection in all we create is an extension of the pursuit for excellence we live by... quality over quantity, relationships and products that last, lending beauty and integrity to all spaces they occupy...

... in the endearing exuberance of the spirit that overcomes and stands up again, every day a new beginning, exploration of a new idea, polishing the old with zest and enthusiasm, the passion that drives us, keeps us afloat, gives us wings where there are no roads...

.... in being emotional... loving what you do creates a certain pride in how you do it, the pride ensures in turn that you do what you do with greater love and care still... we believe, in taking personally, how we fare, for it determines how we cared... for our product, our people, our process....

... in being sincere and authentic, promising what we can deliver, delivering what we promise, always...

... in the quiet intimate relationship that our personal spaces share with who we are and contributing to that experience, making it more complete ...

We promise

Impeccable quality standards in all our products

Unmatchable human values, and a

Peace of mind that comes with that quality and the relationships we build.

We are true to what we believe in, and thus true to all we promise.

Unsere Vergangenheit und unsere Gegenwart: Ein flüchtiger Blick auf die Reise von Auhna

„Mut findest Du, wo Du ihn am wenigsten erwartest“, sagte J.R.R. Tolkien.

Ein ungewöhnlicher Ort war es tatsächlich.

Aufgewachsen in einem Mittelstands-Haus, in einer kleinen indischen Stadt in den 1980er Jahren, war Neeraj Sehgal das einzige Kind seiner Eltern. Als Sohn eines Regierungsangestellten und einer Hausfrau war die Geschäftswelt von dem, was er gelernt hatte und was ihm bekannt war, so weit wie nur möglich entfernt.

Angeführt von einer Reihe von Veranstaltungen und einem innenwohnenden Wunsch, etwas Bedeutsames zu tun, würde Neeraj bald nach Delhi gehen, in die Hauptstadt des Landes, um die ersten Samenkörner zu säen, für das, was eines Tages zu Auhna werden würde.

„Das Leben verkleinert oder vergrößert sich im Verhältnis zum eigenen Mut“, sagte Anaïs Nin.

Er war Mitte 20, hatte keine großen Rücklagen, keine Unterstützung, keinen Paten, er war nur ein Mann mit einer Vision und den Mut, sie zu verwirklichen.

So begann die Geschichte von Transel, das von ihm aufgebaute Unternehmen und der Mutterkonzern von Auhna. Für ein Kind wird das Gehen schnell zu seiner zweiten Natur, einer Fähigkeit, die es für den Rest seines Lebens nicht vergessen wird, aber es vergisst, dass es diese Fähigkeit mit viel Aufregung und Schwierigkeiten erworben hat ... das Aufstehen, das sorgfältige Balancieren der Zehen und Ferse, das weiche Auftreten ... und dann – Perfektion!

Jeder Schritt in den ersten Jahren von Transel war von neuen Kämpfen und neuem Lernen gekennzeichnet – dem Erwerben vertiefter Kenntnisse von Prozessen, der Verarbeitung, den Märkten. Sehr bald erforschte Transel Möglichkeiten, einen Weg zur ISH zu finden – der weltgrößten Messe der Badezimmer-Industrie. In der darauffolgenden Zeit erkundete unser Gründer Europa zu Fuß – 20 Kilo an Muster tragend, auf Straßen und Nebenwegen gehend, unsere Vision, unser Bewusstsein an Händler und Unternehmen präsentierend – die ganze Zeit hoffend, dass jemand gerade jetzt um die Ecke biegt.

In Allegiant sagte Veronica Roth: „Es gibt so viele Möglichkeiten, in dieser Welt tapfer zu sein. Manchmal bedeutet Tapferkeit, sein Leben für etwas zu geben, das größer ist als man selbst, manchmal auch für eine andere Person. Manchmal bedeutet es, alles Vertraute hinter sich zu lassen und jeden, den man je geliebt hat, um einer größeren Sache willen aufzugeben. Aber manchmal bedeutet es das nicht.“

Manchmal geht es einfach nur darum, die Zähne zusammenzubeißen, Tag für Tag seine Arbeit zu verrichten und Schritt für Schritt in ein besseres Leben zu gehen.“

Beharrlichkeit, Ausdauer und eine vertraute Verweigerung bei den schwierigsten Herausforderungen aufzugeben – diese Bemühungen wurden belohnt, als uns ein weltberühmtes deutsches Unternehmen die Aufgabe gab, einen Prototypen zu erstellen. Das war im Jahr 1994 und Transel entwickelte und produzierte bald viele charakteristische Produkte für die Marke.

Ein kleiner Kieselstein in einen Teich voller

Möglichkeiten geworfen, mit der unvermeidlichen Angst, unterzugehen, ohne nur die kleinste Welle erschaffen zu haben; realisierend, dass es tatsächlich den Kieselstein zur Welle selbst verwandelt hat, dehnte er seinen Effekt aus, in die natürliche Verwandlung in etwas Größeres in jeder Millisekunde. Bald waren wir gleichauf mit den größten Marken, den erfahrensten Spielern der Industrie, stets lernend mit unserem Wachstum über einwandfreie Qualitätsstandards, unvergleichliche menschliche Werte, erfassend, dass das, was wir produzieren eine Ausweitung und eine Krönung ist, für alles, was wir begannen und alles, was wir wurden.

Wir bemühen uns heute, uns an die Großartigkeit unserer Reise und an die vielen Lektionen, den großen Mut, die Kenntnisse der erworbenen Prozesse und die Ehrlichkeit unseres Bestrebens zu erinnern.

Der Geist, in dem Auhna geboren wurde, war die Quelle der Kraft und es war nur natürlich, dass wir Auhna im Gedächtnis unseres Gründers aufstellen.

Auhna verkörpert sein Lernen, seine Vision, seine Vorliebe für Perfektion.

Unsere Qualitätsstandards waren bereits auf Augenhöhe mit der Welt, unsere Verarbeitung

wurde von den Allerbesten geschätzt, und in Auhna machen wir den nächsten Schritt für die Innovation und Investition in unsere eigenen Designs, um sie neuen Märkten in unserem eigenen Namen zu präsentieren. Wir präsentieren Ihnen verschiedene aufrichtige Designs, jedes mit eigenem Stil und Einzigartigkeit, unzählige Stimmungen und Momente erschaffend, in einem Ihrer privaten Räume.

Auhna – das Wort bedeutet Leidenschaft, und es ist Leidenschaft, die uns begleitetet, in allem, was wir tun und in allem, was wir erschaffen.

Wir glauben
... dass das, was wir erschaffen, für das spricht, was wir sind ... das Streben nach Perfektion in allem, was wir Designen, ist eine Ausweitung des Strebens nach Exzellenz, die wir leben ... Qualität vor Quantität, Beziehungen und Produkte, die beständig sind, das Verleihen von Schönheit und Integrität in allen Räumen, in denen sie innewohnen...
... an den liebenswerten Überschwang des Geistes, der immer wieder überwunden wird und erneut antreibt, jeden Tag auf ein

Neues, die Erforschung neuer Ideen, die Alten verfeinern mit Schwung und Enthusiasmus, die Leidenschaft, die uns antreibt, hält uns über Wasser, verleiht uns Flügel, wenn es keine Wege gibt...

... daran, emotional zu sein ... zu lieben, was man erschafft, erfüllt einen mit Stolz, wie man etwas tut; der Stolz sorgt wiederum dafür, dass man das, was man tut, mit mehr Liebe und Sorgfalt tut ... wir glauben, dass, wie wir abschneiden, unsere Sorgfalt bestimmt ... für unser Produkt, die Menschen, unsere Prozesse...

... daran, aufrichtig und authentisch zu sein, indem wir versprechen, was wir liefern können und das liefern, was wir versprechen, immer...

... an die ruhige intime Beziehung, die unsere persönlichen Bereiche teilen mit wer wir sind, und dies zu der Erfahrung beiträgt, es zu etwas Vollständigem zu machen...

Wir versprechen
Einwandfreie Qualitätsstandards in allen unseren Produkten
Unvergleichliche menschliche Werte, und eine Sicherheit, die mit der Qualität und Beziehung entsteht, die wir aufbauen.

Wir stehen zu dem, an was wir glauben, und stehen somit zu dem, was wir versprechen.

ماضينا وحاضرنا:

لمحة عن رحلة Auhna

هناك رواية اسمها " مخلصة" ، قالت فيها كاتبها فيرونيكا روث " يمكنك أن تصبح شجاعاً في هذا العالم بعدة طرق. في بعض الأحيان يمكنك أن تضحي بحياتك لأجل هدف أسمى منك، أو تضحي بها من أجل شخص آخر. وأحياناً تتخلى عن كل شيء، وعن كل شخص أحببناه من أجل أمر أسمى. ولكن في أحيان أخرى تكون الضريبة مختلفة،

ففي بعض الأحيان يكون كل ما يتوجب علينا فعله هو المثابرة والجهد، والعمل اليومي من أجل الحصول على حياة أفضل.

ونحن اخترنا المثابرة والاستمرارية ورفض الاستسلام مهما اشتدت الصعوبات - وكللت هذه المجهودات بالنجاح بعدما طلبت منا شركة المانية عالمية إنشاء نموذج أولي. كان هذا في العام 1994 ، وبعدها بفترة بسيطة نجحت شركة Transel في التعاقد مع هذه الشركة، وإنتاج عدد كبير من المنتجات لها ..

حينما نلقي بحصاة صغيرة في المياه، ندرك سريعاً أنها سوف

تعد الشركة الأم لشركة Auhna

كلنا يعلم أن المشي بالنسبة للطفل يصبح مع الوقت طبيعة ثانية، مهارة لن ينساها طيلة حياته. ولكن بالطبع لن يقتني الطفل هذه المهارة بدون إثارة أو ألم! فجميع الأطفال بدأت في محاولات المشي التي لم تتكل بالنجاح، تلاها بعض المحاولات الناجحة، وأخيراً يتقن الأطفال المشي عن ظهر قلب.

ولذا فإن كل خطوة خطتها شركة Transel ، كانت خطوة جديدة على طريق التعلم ومعرفة الأسواق والعملة.

وبعد هذه الخطوات، بدأت شركة Transel في محاولتها لاستكشاف الفرص عبر معرض ISH العالمي في تطوير وتصميم دورات المياه. حينها كان صاحب الشركة سيد نيراج، يجول في شوارع أوروبا وأزققها حاملاً عينات وزنها يقارب 20 كيلو جرام! محاولاً عرض رؤية الشركة على تجار التجزئة وحتى الشركات - آملاً في أن تخطو الشركة خطوة كبيرة في عالم الأعمال.

"تُوج الشجاعة في الأماكن غير المتوقعة" جي. أر. أر تولكين

وقد كان المكان غير متوقعاً بالفعل.

ولد الطفل نيراج سيجهال في ثمانينيات القرن الماضي، وفي قرية هندية وبيت هندي متواضع الحال، طفلاً وحيداً لأبويه. كان أبوه موظفاً حكومياً، بينما كانت أمه ربة منزل. وبالطبع كان عالم الأعمال بعيد كل البعد عن هذا الطفل نظراً للظروف المحيطة به.

ولكن الأحداث قادت هذا الشاب المدفوع برغبته في تحقيق أمر جلل إلى عاصمة البلاد، نيو دلهي، حيث سيلقي هناك أول بذار الكيان الذي سيصبح يوماً كياناً كبيراً اسمه Auhna.

وكما قال أنياس نين " الحياة تتعدد أو تتقلص تبعاً لشجاعة الفرد". ونيراج كان في منتصف العشرين من عمره بلا دعم مادي أو معنوي، وبلا رعاية تجارية، كان كل ما يقوده هو حلمه ورؤيته.

وهنا تبدأ قصة شركة Transel ، الشركة التي أنشأها نيراج والتي

واهتمام أكبر في مراحل العمل

هذا الشغف الذي يدفعنا ويتبعنا
في كل ما نصنع أو نصم.

ونحن نعتقد

أننا نصنع أشياء تعبّر عن هويتنا
وسعينا للكمال في كل ما نصنع

علاقتنا مع عمالئنا، والجمال
والروعة اللاتي تملاً بها منتجاتنا
أي مساحة يتم وضعها بها ..

حماسنا تدفعه روح متعددة
تتخطي جميع الصعاب وتعود
لتقف من جديد، كل يوم هو بداية
جديدة لنا، كل يوم نكتشف فكرة
جديدة أو نعود لنصلق فكرة
قديمة بحماس لا نظير له؛
حماسنا يقودنا للأمام دوماً،
ويمنحنا أجنة حيث لا توجد
طرق...

العاطفة التي تقودنا تخلق نوعاً
من الفخر بكل قطعة ننتجه، هذا
الفخر يتحول بالتأكيد لحب

تغرق مُخلفة ورائها موجات
بسقطة. ولكن مع الوقت ندرك
أن هذه الموجات ربما تكون
الصورة الجديدة للحصاة،
والشكل الذي سوف يساعدها
على الانتشار، طبيعة جديدة
تطور كل لحظة.

قريباً، كنا نختلف بعقد صفقات
مع أرقى العلامات التجارية في
مجالنا، وأكثرها خبرة. خبرتنا
ومعاييرنا ترتفع كلما نمونا،
أصبحنا نعرف أكثر عن مقاييس
الجودة الاستثنائية وعن القيم
الإنسانية المميزة، تعلمنا أن ما
ننتجه ما هو إلا امتداد لما بدأناه،
وهو طريق لما سنصبحه.

ونحن نتذكر اليوم أمجاد رحلتنا
ودروسها العديدة بدءاً بالشجاعة،
مروراً على اكتساب الخبرة
المطلوبة وانتهاءً بمجدهونا
الصادق لتنفيذ ذلك.

والعقل الذي أنشأ Auhna كان
هو الدافع والمغذي لها، وإنشاء
Auhna لم يكن حدثاً غير تقليدياً
خاصة أنه تم في ذكرى مؤسس
شركتنا.

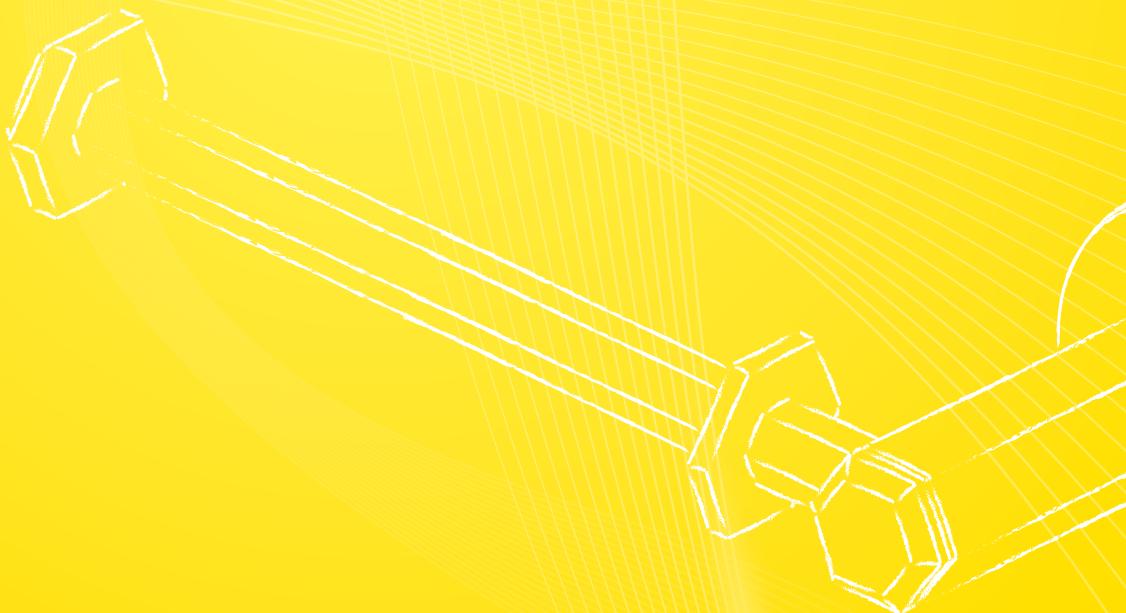

حيث أن Auhna هي تجسيد
لتعاليمه ورؤيته وسعيه للكمال.

وفي Auhna، نتبع أفضل
معايير الجودة العالمية، وإنجازنا
مطلوب من أكبر العلامات
التجارية في الصناعة. ليس هذا
فحسب، بل قمنا في Auhna
